

From Homework Horror to Homework Happiness

Presented by Michelle Murphey

Are you struggling to help your child with his or her homework? If so, this workshop is for you! This session will focus on realistic and practical ways parents can take some of the pain out of homework! Learn how technology can help parents to support their children to get organized, study effectively and monitor their child's progress. This interactive workshop will focus on websites, apps and other simple techniques to bring you and your student from homework horror to homework happiness!

I will be holding the Parent support group from 7-830 on May 11, 2016. It will be held at Valley Mental Health's Children's Outpatient Services Building. 1141 east 3900 south, Please enter through the side single door facing St Marks Hospital and signs will be on the door.

Please come in the side door and turn right then upstairs. You may have to knock and wait for me to come let you in. Hope to see you there.
Thanks,
